

CHAPTER I

SECTION 4

**EXPLOSIVES SAFETY FOR MILITARY
CONTINGENCY OPERATIONS**

I.4.A GENERAL

I.4.A.01 Full compliance with other sections of this EM may not be possible during military operations other than war (MOOTW) or during contingency deployments. This section sets the minimum levels of acceptable risk for contingency deployment ammunition operations in a less than wartime environment. These provisions apply only if permitted by host nation laws and/or Status of Forces Agreements (SOFA) and authorized in writing by the ACOM, ASCC, or DRU commander.
