## The Interviewer

Dr. John T. Greenwood is currently the Chief Historian, Office of The Surgeon General/U.S. Army Medical Command (OTSG/MEDCOM), in Falls Church, Virginia. He was formerly Chief, Field Programs and Historical Services Division, U.S. Army Center of Military History, in Washington, D.C., from 1988 to 1998 and the Chief Historian of the U.S. Army Corps of Engineers from 1978 to 1988. Dr. Greenwood specializes in U.S. and Russian military and aviation history, is the author of a number of articles and book reviews, and has conducted numerous interviews with civilian and military personnel of the Corps of Engineers. His interview with Maj. Gen. Hugh J. Casey appeared in 1993 as *Engineer Memoirs: Major General Hugh J. Casey* (EP 870-1-18). This interview with Alfred S. Harrison is the fifth of Dr. Greenwood's interviews to appear in the series *Water Resources: Hydraulics and Hydrology*. The others were with Franklin F. Snyder (EP 870-1-54) in August 1997, Vernon K. Hagen (EP 870-1-55) and Jacob H. Douma (EP 870-1-56) in September 1997, and Margaret S. Petersen (EP 870-1-60) in July 1998. Dr. Greenwood holds his Ph.D. in military history from Kansas State University.
