ER 1110-1-8153

30 June 2010

Until the next revision of ER 1110-1-8153 is completed, corrected/omitted text, underlined below, is provided for immediate use and reference:

Paragraph 16b(2) is changed to read “The MM DC for CWM is located at CEHNC. The CWM Design Center is the only Design Center authorized to execute any phase of a CWM project or to conduct associated Pre-Operational Surveys. Detailed information on the CWM Response process is presented in EP 75-1-3 and SAIE (ESOH) Memorandum, 1 April 2009, Subject: Interim Guidance for Chemical Warfare Materiel (CWM) Responses.

Paragraph 19b(6) is changed to “Maintain a point of contact for CWM matters and provide quality assurance of Pre-Operational Survey results.”
