Change 7

CEPE-C

Regulation
No. 690-1-958

2 May 1988

CIVILIAN PERSONNEL
Army Civilian Career Program for Engineers and Scientists
(Resources and Construction)

1. This change to ER 690-1-958, 25 June 1980, amends the professional registration requirements in paragraph 15 and Appendix A. Effective 1 July 1988, the positions of Chief, Hydraulics and Hydrology Branch and Chief, Geotechnical Branch will require professional registration. It also provides that professional registration as a geologist meets the professional registration requirements for the Chief, Geotechnical Branch when the position is interdisciplinary and classifiable to the GS-1350 Geology Series.

CIVILIAN PERSONNEL

Army Civilian Career Program for Engineers and Scientists (Resources and Construction)

1. This change to ER 690-1-958, 25 June 1980, amends the reassignment policy in paragraph 12 to delegate specific prior approval authority to next higher level career program managers; it amends professional registration requirements in paragraph 15 and Appendix A to permit architect registration or professional engineer registration under certain conditions; and deletes the requirement for professional registration for the position of Chief, Operations Division.
